Mission

Playhouse Women (PW) is a support group established in 2007 to develop awareness of and support for the non-profit Laguna Playhouse. PW is comprised of women with a variety of talents and interests, including executives, community leaders, working moms, business owners, artists and others. All value great theatre in their community and want to ensure its long-term success.

Playhouse Women work together to designate and raise funds for specific projects that directly benefit The Laguna Playhouse, a 501 (c)(3) nonprofit organization. The group also hosts special informational and fund-raising events for its members. Membership dues are tax-deductible to the extent allowed by the law.
